PROCION DYES BASIC FACTS SHEET July 2020

* Procion® MX Dyes (commonly called Cold Dyeing Reactives) are all manufactured in Asia – India and China and should be identical both in colour and quality. They are not toxic, but some colours may cause skin and/or respiratory sensitization. They are all used the same way.

* There are no Procion MX dyes made in Australia or the USA.

* Procion® MX and Procion H & HE dyes are all imported and repacked by various companies and rebranded - Dharma Trading, Jacquard, Prochem, Kraftkolour to name a few.

*At Kraftkolour we have only 16 pure (homogeneous) colours in the Cold Reactive range. These are manufactured colours not mixtures.

1. Procion Yellow MX8G
2. Procion Yellow MX4G
3. Procion Gold Yellow MXR
