PROCION DYES BASIC FACTS SHEET

- * Procion dyes are all manufactured in Asia – India and China and they are all identical both in colour and quality. They are not toxic. They are all used the same way.
- * There are no Procion dyes made in Australia or the USA.
- * Procions are all imported and repacked by various companies and rebranded - Dharma Trading, Jacquard, Prochem, Kraftkolour to name a few.
- * There are 24 pure core colours which are not mixtures –
